Vampire Library

Don't.

Unbelievable...

He stopped
Lord Garbel—

—with
one hand?!

What are
you doing?

Let go.

I could ask
you the same thing.
Why are you acting
so rashly?

The lass's
scared out of
her wits.

Don't lie.

HA!!
Tsk! He
didn't fall
for it.

Lass?

Don't be absurd.

They're both older than Louis, and he's three hundred years old.

The only young thing about them is their appearance.

Even so, no violence.

Let's resolve this peacefully,

Even though your only merit is that ridiculous strength.

...
Hmph!

Nosy bastard
...

SMIRK

Very well,
then. As you
wish.

Is this
your idea
of peace-
ful?!

This is
more than
peaceful
by my
standards

ERR!

You
fraud!!

Is this really
the only way?

Your
cutesy act
just makes
it worse,
stinking old
man!!

It's
temporary
confinement for
now.

Unless
you wish
for eternal
incarcera-
tion, you
will answer
all my
questions.

Tch!

How do I
make them
return to
normal?

Is there an
antidote?

...No.

The effect
simply fades
away after
a week.

Which is
around the
time I get tired
of them and
move on to a
new target.

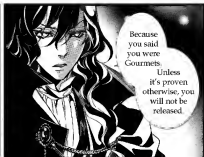

There, I've
answered
you.
Release
me!

No.

Why
not!!

Because
you said
you were
Gourmets.

Unless
it's proven
otherwise, you
will not be
released.

Then, I
don't want
to be a
Gourmet
anymore...

I don't
even
know
what
that is.

Why
would I
believe
you?

It's true!

Grip...

I only
said it to
keep us
safe.

The one word
was enough to tell
other vampires of
our backs.

No one dared
bully us.

We only
used it for
survival.

What's
so wrong
borrowing just
one word that
describes strong
vampires?

Because

they are
murderers.

They don't
just kill, they
slaughter.

At least
a thousand
corpses trail
behind each
one of them.
A thousand corpses,
that's the number
of a sizable
village.

The worst
kind of criminal.

That is
what a
Gourmet
is.

HALTER

L..

I had
no idea...

While I'm
confirming
your story,

you should
reflect on your
behaviour.

I'm
going
out for
a bit.

You
two, keep
watch over
them.

Yes,
sir.

Louis, Olivia is
still affected by their
power, so make sure she
does not go near the
holding cell.

REST

WHISTLE

...
Understood.

Mana,

you come
with me.

Yes, sir.

Have a safe trip!

Gee...
It's been ages
since we last
saw each other,
and all I get
is the cold
shoulder.

...If you
know that,
then leave!!

Oh
well.

)))

Exit
Awful

BE☆
AM

I'm sure
you could
use an
extra pair
of hands!

Oh no,
we'd rather
not impose
on you...

)))

You don't
hafta be so
reserved!

Lulu,

I'm
hungry.

Oh right,
I was the only one
who got to drink his
blood. Sorry!

Hug

Please
bear with
it for
now.

I'll think of
something!

Lulu...

I am sorry...

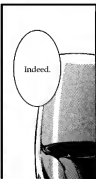

I'm just so hungry right now.

For some reason I feel like we're being stared at.

It's only your imagination.

...Luca?
